Rick Dalrymple has been in the insurance industry since the age of 21. He has had experience as an insurance company executive, Loss Prevention Consultant, and Claims Adjuster, all of which laid an excellent foundation for his technical experience as a corporate insurance agent.

In just three short years with a leading insurance carrier, Rick was recognized nationally for his outstanding achievements and is considered by his peers to be in the top five percent of his field. Rick continues to work hard in his industry and has been awarded the prestigious insurance designation, CPIA (Certified Professional Insurance Agent).

Through consistent efforts and a reputation for outstanding service, he has built a solid client base and has expanded his practice through referrals from satisfied clients.

Rick has had numerous insurance articles published in trade journals throughout the years and has been a keynote speaker and continuing education instructor for various trade associations.

Rick is an Eagle Scout and graduated with honors from both Pensacola Catholic High School and Florida State University, where he received a Bachelor of Science degree in Business Management through the School of Insurance.

“Rick is married to his lovely wife, Caren and together they have three children, Ryan, Kalen, and Jason.
